

37th Annual Production Sale
Thursday, November 18, 2010
at 1:00 pm
at the ranch in Warner, Alberta

Welcome to our 37th Annual Production Sale

Welcome to LCI's Annual Production Sale...the only place our cattle are put to auction. We would like to thank our customers and friends who have supported us and make our progress possible!

Good times in the cattle industry are coming and will be around for sometime. That's what the buzz in the business today (with way lower cattle numbers). What a change a year makes, DRY DRY DRY last year... WET WET WET to the extreme this year! A spring that gave us all a few more grey hairs to a summer of tremendous grass and lots of hay. We all hope we can get all our late seeded crops off before the snow flies! Four generations of Doenz's have been breeding purebred cattle. We are committed to continuing making strides to better our cattle. We want them to be efficient, easy fleshing and rancher friendly. The quality and consistency we feel

runs deep in our herd we feel you will find quality from lot 1 through to the final lot. As you study the catalogue you will see the EPDs, herd sires, and sale animals are at the top of the breed.

The Doenz Family

Nelson & Paula Doenz, Brad & Veronica Doenz, Kristy & Ken Robinson

As we have been in the past we are here for you and stand behind our cattle, we will be here tomorrow if you need us. We are here to be of service, consider using our free wintering program on bulls or free fall delivery (see Sale Terms & Conditions for all details). Pay half cash sale day and the balance on June 1st, 2011, interest free. Feel free to contact any one of us listed in the phone directory to help you make the right selection for your herd.

Volume Discount

Purchase 5 to 9 bulls
and take 5% off the total price.

OR

Purchase 10 or more animals
and take 10% off

Thank you for attending
our 37th sale.

We appreciate your
business.

Terms and Conditions

TERMS: Cash or half cash – balance due June 1st, 2011, interest free.
If half cash terms are desired, we request that the buyer leave a post-dated cheque. US buyers please note – US funds will be accepted at par; exchange will be calculated per bank exchange rates as at sale day morning.

***New* VOLUME DISCOUNT**

Purchase 5 to 9 bulls and take 5% off the total price.

OR

Purchase 10 or more animals and take 10% off.

SALE REPRESENTATIVES:

Bob Balog, Auctioneer.....	403.382.5727
Louis Balog.....	403.331.0611
Brad Balog.....	403.642.7444
Ben Brillhart, Hereford World...	406.855.2021
Brad Dubeau, CHD.....	403.512.2235
Marc Hotchkiss, Hereford America.	605.866.4495

GUARANTEE: Bulls are guaranteed to be breeders. If failing to be satisfactory breeders, they will be replaced or a credit given on purchase of replacement. They must be returned to us for evaluation of the animal in good health and properly cared for. In any event, the sellers are responsible only to the extent of the purchase price of said animal. Each animal becomes the responsibility of the purchaser as soon as sold. Standard Canadian Hereford Association guarantee applies.

DELIVERY:

Bulls: If the buyer wishes, free **fall** delivery up to **300** miles to central points, and \$100 deducted off price or free **wintering** and the bulls picked up by **April 1st, 2011**. All bulls must be insured, available sale day from Heather Barr, CFI.

USA: Animals going to the USA will be delivered through the Coutts/Sweetgrass border with federal health papers. Buyer assumes transportation costs from Sweetgrass, Montana. Again, animals need to be insured and we will co-operate with any other arrangements that need to be made on all animals.

LIABILITY: Mishaps at cattle sales are very rare and every precaution will be taken for the safety of visitors; however, the owners and management assume no liability should an accident occur.

ERRORS: If errors are noted in the catalogue, corrections announced from the stand take precedence over printed material.

ACCOMMODATIONS: Reservations can be made for you, just contact us. There is a paved, lighted airstrip 2.5 miles from the ranch. Contact us to pick you up at the airfield.

LCI T097 TAM O'LASS 43M

The complete package! Stylish, thick and full of muscle. Reasonable birth weight, explosive growth, yet is highly maternal. Super carcass merit. A full brother to our own 154U bull. His knock out dam is close to flawless. She is pigmented (freckle faced) with an outstanding udder. We would love to have a whole herd like her.

Stacking outstanding genetics is what 107R is about. The only bull I know that has a better EPD profile than 157K. Birth at breed average and top of the breed for everything else. He's been used heavily on heifers with good results. He adds pounds to every mating. His first group of females have calved and they are awesome! What a wonderful EPD graph!

Exciting new genetics! A bull that is all bull! As a calf he traveled from Nebraska to Alberta and the same day kicked out with 40 heifers. In 42 days he had 97% pregnant. We are really proud how he has nicked on our cow herd. Super easy calving, his calves are early growth. His dam is an elite cow in Ridder's herd. A bull with good carcass. High selling bull in John and Mary Ridder's 2009 production bull sale.

Probably the most naturally thick and easy fleshing bull I have ever worked around. His donor cow mother Linda 1N has the same quality, such good range cattle. Super rock hard feet and clean tight udder. Stick them out on a stubble field and they will gain weight!

Based on Fall 2010 EPD's Black Angus (PEd Est.)

	Birth Weight	Weaning Weight	YRL Weight	Milk	Scrotal Circ.	YRL Gain	REA	Marb.	Fat
EPD	+1.1	+70	+124	+30	+0.10	+53	+0.37	+0.79	-0.029
