*47<sup>th</sup> Annual*

# PRODUCTION SALE

DECEMBER 3, 2020 | 1 PM | AT THE RANCH | WARNER, AB

\* Now offering online viewing and bidding through DLMS \*

## *Welcome to LCI's 47<sup>th</sup> Annual Production Sale*

I don't know if anyone in 2019 would have believed what 2020 had in store. Everything outside of the "typical" ranch and farm work was turned on its head. Politics in the USA and Canada have been unreal. We are now faced with this "new normal" and there are still so many questions. I think that for anyone in the cattle industry, we have hope that things get better and we are so resilient that we will make it through. I know this because as cattle producers, we have all raised our animals this year and put bulls out to pasture and will be expecting calves again in 2021.

The great part of 2020 that really needs attention in our area were the wonderfully timed rains and the bountiful crops we took off this fall. It sure was the boost in morale needed to get out of the rut. Just as we make up this catalog, we have finished the harvest and what a great state of mind to be in when you go into the pastures to look at your animals.

Here at the ranch we are continuing to do our best to bring our best to you. You will see that we are continuing to listen to what you want. In doing so, we have decided to bring the sale into the digital age. The sale will be available to bidding and viewing online through DLMS this year! We strive to search out the best genetics to cross our animals as well as continually strictly critiquing our herd to all the qualities people want. We do this by doing a very extensive AI program in both black angus and polled and horned herefords. We believe so passionately in what we do. It starts with caring for the dam straight through the vaccination programs, breeding, grazing, supplementing, feeding, calving, and calf care and health.

We are so grateful to you for allowing us to continue to bring these bulls to you and supporting us. So we will continue to offer free wintering of bull calves to April 1, 2021 or we can deliver after the sale or in the spring up to a 300 mile radius. Long yearling bulls can be wintered here for \$200 up to April 1, 2021. We will also mention our sale term of half cash sale day and remaining balance due June 1, 2021.

Please save the day of December 3, 2020 at 1PM to either come out to the ranch or view online through DLMS. Arrive early if you would like a hot beef lunch following COVID guidelines. Come a few days before if you would like to avoid the crowds to view our offering. We would love to answer any questions you may have or take any hassle out of the bull buying process. If we can help in any way please let us know and we will accommodate you as best as we can in these unprecedented times.

Stay safe and we hope to see and talk with you there!

## 47TH ANNUAL PRODUCTION SALE

DECEMBER 3, 2020 | 1 PM AT THE RANCH | WARNER, AB

### *Sale Day Information*

#### SALE REPRESENTATIVES

Bob Balog, Auctioneer.....	403-382-5727
Louis Balog.....	403-331-0611
Don Oberg.....	780-678-6926
Maureen Balog, CFI Insurance .....	403-320-1980
Canadian Hereford Association.....	403-275-2662
Brian Good.....	403-319-4037
<i>Canadian Angus Association</i>	

#### SALE DAY PHONES

Brad Doenz.....	403-642-7694
Veronica Doenz.....	403-642-7582

#### ONLINE BIDDING

Mark Shologan.....780-699-5082

#### TERMS

Cash or half cash – balance due June 1, 2021, interest free. If half cash terms are desired, we request that the buyer leave a post-dated cheque. US buyers please note – US funds will be accepted at par, exchange will be calculated per bank exchange rates as of sale day morning.

#### GUARANTEE

The cattle will carry the guarantee as recommended by the Canadian Hereford and Angus Associations. Doenz Ranches stands behind all animals sold in the sale.

#### VOLUME DISCOUNT

Purchase 5 to 9 bulls take 5% off the total price. **OR**  
Purchase 10 or more bulls then take off 10% of the total price.

#### DELIVERY

If the buyer wishes, free fall delivery up to 300 miles to central points. \$100 will be deducted off the price on all bulls if they are taken after the sale.

#### WINTERING

Bull calves can be wintered for free. Long Yearling Bulls can be wintered for a cost of \$200. All Bulls must be picked up by April 1, 2021. All bulls must be insured and this service will be offered sale day. USA Animals going to the USA will be delivered through the Coutts/Sweetgrass border with federal health papers. Buyer assumes transportation costs from Sweetgrass, Montana. Again, animals need to be insured sale day.

#### LIABILITY

Mishaps at cattle sales are very rare and every precaution will be taken for the safety of visitors; however, the owners and management assume no liability should an accident occur.

#### INSURANCE

The purchase of insurance will be available sale day through Canadian Farm Insurance Corporation representative Maureen Balog.

#### ERRORS

If errors are noted in the catalogue, corrections announced from the stand take precedence over printed material.

LCI TIGER MISS 71Y

Pounds, length, smooth muscled and performance sum up this guy. He is Jordy's first sale bull calf out of his Sensation heifer that we call "Auction Mart" and has she done a phenomenal job. Exclusive has done a phenomenal job in the breed keeping lower birth and adding performance. He's only a 78 lb. birth weight and a 810 actual weaning weight. He's top 7% weaning weight and top 5% yearling weight. I would recommend him for heifers. These Exclusive calves are stand outs and there doesn't seem to be a lot of them around yet and I'm sure we will hear more from Exclusive in the future and his sons in this offering. *Recommended for heifers.*

Warrior balances on an exceptionally long spine with power and performance. Excellent pigmentation to compliment his impressive phenotype. Top 1% weaning weight, 2% yearling weight, 1% milk, 1% total maternal, top 1% REA, and top 3% marbling. Buckle up cowboys if you want to take white off and want extreme performance with calving ease then a Warrior bull is for you. Warrior sires some of the best polled bulls I've seen in a long time and he's homozygous polled.
